Amazon Watch works to protect the rainforest and our climate by supporting indigenous peoples across the Amazon Basin.

Our Mission

Amazon Watch is a nonprofit organization founded in 1996 to protect the rainforest and advance the rights of indigenous peoples in the Amazon Basin. We partner with indigenous and environmental organizations in campaigns for human rights, corporate accountability and the preservation of the Amazon's ecological systems.

Our Priorities

Stop Amazon Destruction
Amazon Watch resists the destruction of the Amazon by challenging disastrous development projects and natural resource extraction and by promoting indigenous rights.

Advance Indigenous Solutions
Amazon Watch supports and promotes indigenous-led alternative solutions to climate change, natural resource extraction, and industrial development.

Support Climate Justice
Amazon Watch supports and promotes indigenous-led alternative solutions to climate change, natural resource extraction, and industrial development.
