

Thank you for your donation to Amazon Watch! Your gift today fuels critical efforts to stop Amazon destruction, advance Indigenous solutions and support climate justice.

Since 1996, Amazon Watch has been an effective force working on the front lines to halt destructive development and amplify Indigenous voices and solutions. With escalating threats to the rainforest, Indigenous communities in the Amazon Basin and the global climate, we are mobilizing on an unprecedented level to permanently protect 80% of the Amazon by 2025 and elevate Indigenous land rights and livelihoods. Thank you for supporting this vital work with your tax-deductible donation today.
